

DELFI KC

冷凝式两用壁挂炉

100%意大利制造

A white, rectangular Fondital Delfi 24 boiler unit. The unit has a clean, minimalist design with two vertical lines running down the front panel. The 'fondital' logo is visible in the upper right. Near the bottom center, there is a small 'Delfi' badge with a rainbow-colored stripe. The control panel at the bottom features a digital display, several buttons, and a pressure gauge on the right side.

-
- A detailed view of the internal components of a Carrier HVAC unit. The image shows the compressor, condenser coils, and evaporator coils. The unit is mounted on a metal frame, and the condenser coils are visible on the right side. The evaporator coils are visible on the left side. The unit is labeled with the Carrier logo and the model number 58CVC.
